

About Us

Save the Children Fiji is the country's peak child rights organization and we have been helping make meaningful change in the lives of children for more than 40 years.

Since our inception in 1972 we have worked to improve access to education and health programs for some of the country's most vulnerable and marginalized children and families.

We are a non-governmental organization that is dedicated to bettering the lives of children in a sustainable manner in Fiji.

We currently working in more than 50 informal communities and villages helping children access health and education at home while also driving for change on a national and international agenda.

OUR VISION: Is a world in which every child attains the right to survival, protection, development and participation. Creating lasting and sustainable change for the lives of children in Fiji.

OUR MISSION: To inspire breakthroughs in the way the world treats children and to achieve immediate and lasting change in their lives

Child Protection and Child Safeguarding why do you need this?

Child abuse is occurring every single day worldwide. As a leading Child Rights Organisation in Fiji, the Child Protection Team is here to help organisations to develop their Child Safeguarding Policy and provide Child Safeguarding Training to organisations who are committed to keeping children safe and ensuring that your organisations are safe to work with children.

IT TAKES A VILLAGE TO RAISE A CHILD!

What is Child Safeguarding?

Child Safeguarding refers to the set of policies, procedures and practices that we employ to ensure organisations are itself a child safe organisation.

What is Child Protection?

Child Protection means the protection of all children from all forms of physical or mental violence, injury or abuse, neglect, maltreatment or exploitation, including sexual abuse, and the prevention of such violence.

"Boost your understanding of child safeguarding and help make your organisation safer to work with children "

"Every organization needs to think about the risks to the child when working with children. Preventing child abuse takes leadership, accountability and culture change."
